Got it. Is Robert back yet? I'm sure she wants to focus on budget again. If she sends Q's we can send our proposed responses through the HQ system. For an interview we'll need to get approval for that too and it will depend on whether we get push back because of her Libby story(who knows!)

Hi Lisa,

I wanted to get the conversation going on the CFAC superfund site in Columbia Falls, now.

Who would be the best person to speak with that could answer some questions either over the phone or in Flathead Valley?

Best,
